**Creating the Slideshow in Google Slides:**

1. Partner 1 – Go through Google Classroom to create the Slides, and then Share it with your partner.
2. Partner 2 (and 3) – Access the assignment through your Gmail link that your partner sent to you.

*For further setup information, use your **Group Slideshow Presentations: Sharing through Google Classroom with Google Slides** handout, located in the Handout section of your binder.*

3. Type your presentation first. Add pictures, colors, animations, word art, etc. AFTER your presentation is completely typed.

*Use the **Tips and Tricks: Using Google Slides on Chromebooks** handout, located in the handout section of your binder, for ideas to help make your slideshow more creative.*
