

3rd Grade: Learn-At-Home Choice Board

Week of April 13-17

Directions: Choose 1 reading activity, 1 math activity, 1 writing activity, and 1 social studies activity to complete during this week (13th-17th). Color the box you choose with a light colored crayon so I know which box you did. Once finished with your work, have your parent sign off that you did it. Keep your paperwork all together so we can collect it later. Please have your parents take a picture of your completed work and share on our Facebook page so we can see your awesome creations. We would love for you to complete more than 1 activity within each subject area if time allows. No harm in doing more.

Parents: Please help your child with producing good work. We understand you are helping us be teachers at home. We appreciate you more than you know. Please review the sight word lists that were sent home with your child's last grade card. Review them weekly however you'd like; sidewalk chalk, typing them, reading them, flashcards, etc. Get creative & have fun! Thanks for the continued support. 😊
