

3rd Grade: Learn-At-Home Choice Board

Week of May 4th-8th

Directions: Choose 1 reading activity, 1 math activity, 1 writing activity, and 1 social studies activity to complete during the week of May 4th-8th. Color the box you choose with a light colored crayon so I know which box you did. Once finished with your work, have your parent sign off that you did it. Keep your paperwork all together so we can collect it later. Please have your parents take a picture of your completed work and share on our Facebook page so we can see your awesome creations. We would love for you to complete more than 1 activity within each subject area if time allows. No harm in doing more.

Parents: Please help your child with producing good work. We understand you are helping us be teachers at home. We appreciate you more than you know. Please review the sight word lists that were sent home with your child's last grade card. Review them weekly however you'd like; sidewalk chalk, typing them, reading them, flashcards, etc. Get creative & have fun! Thanks for the continued support. 😊

Reading: Choose 1 →	Read Fly Eagle Fly in your reading textbook starting on page 116. Log in and take an AR test on the story.	Use page 113 you're your reading book, 'Lulu Wants to Grow Up'.
