7th Grade Level Assignments for week of April 13---17

Subject	Online---Assignment	Non-Online Assignment
ELA: Carpenter and Dobbins	Google Classroom	<p>Keep a journal. This thing we are all a part of, it's living history. It will be talked about for generations to come. Schools are closed, sports are canceled, people are quarantined....on a GLOBAL level. Handwritten, typed, in photographs or drawings..... record events, day to day activities, fears and feelings. Make a video journal if that's the media you prefer. Interview your parents or others to be a part of it. When it's all over, save it and store it in a safe place. You can share this with your children and grandchildren. Create a tangible, primary source of your own history.</p>
Math	Google Classroom	<p>Explore the house and spot examples of angles. Take a picture, draw, or describe each angle. Then, classify the angle as acute, right or obtuse.</p>
Science	Google Classroom	<p>Scavenger Hunt We are teaming up with Mr. Gress and his physical education class. We would like for you to go on a nature hunt. Your hunt must last at least 30 minutes (15 minutes</p>

		each day). For some of you, this might be a walk around your property, it could be a walk around town for others. While you are on your hunt, you will be looking for living (5 items) and nonliving things (5 items) in your environment. Please include a drawing or photo of the objects.
Social Studies	Google Classroom	Greek Philosophers (questions 1-6)
Special	Gym Class: Mr. Carroll and I are teaming up for a nature scavenger hunt! This will be your science and Gym Class assignment for the week! Have fun with the hike! Band: Complete the Google Classroom assignment.	Gym Class: Mr. Carroll and I are teaming up for a nature scavenger hunt! This will be your science and Gym Class assignment for the week!
