

**Community Service Project**  
**Blended Learning Activity**  
**March 25, 2022**

**Student's Name** \_\_\_\_\_

**CHOOSE ONE OF THE FOLLOWING COMMUNITY SERVICE PROJECTS.**

1) Cards, Drawing or Letters for Soldiers.

- Writing cards or letters or drawing a picture to servicemen and women domestically and overseas is a great way to support our troops while also giving you an opening for talking about what is happening in your classes, school, activities, sports, and community. Return your card, drawing or letter to school. We will take care of sending it to a servicemen or women that graduated from Ridgewood Local Schools.

2) For Dogs and Cats.

- Local animal shelters and rescue groups are always in need of newspapers, old towels, blankets, and pet food donations. Return any of these items to school and we will take care of sending your donation to a local animal shelter and/or rescue group.

3) Birthday Boxes.

- Place cake mix, frosting, candles and small toy in a box. Return it to school and we will donate them to a local food bank/pantry for those families in need of a birthday cake. You may want to decorate the birthday box.

4) Spring Cleaning

- Pick up trash, rake leaves and/or pull weeds in your yard, neighborhood, school, or community. Take a picture and send it to the following email: [mike.masloski@ridgewood.k12.oh.us](mailto:mike.masloski@ridgewood.k12.oh.us). We will place the picture of the district website.

5) Create your own community service project.

- Write a summary of your project. Return your summary to school.
