

March 12, 2020 3:24 Update

School will be closed for the next three weeks starting on Tuesday, March 17 through Friday, April 3. We will utilize blizzard bags as we have in the past. Our staff has been working on creating additional lessons beyond the three blizzard bags our students have completed in past school years. We will use our website, app and all call system to announce information on blizzard bag lessons. Parents can find information on the blizzard bags on our website. Students will complete blizzard bags 1 and 2 for the week of March 17---20. Teachers will be available via their email to communicate with any student or parent regarding the blizzard bag lesson. You may also contact your child's school building or email the building principal. We are also planning on having food drops throughout our district for our students at least twice a week. We are currently working on logistics. We are working with Prodigy Travel to move the dates of our upcoming RHS Beyond the Bell New York City trip on April 8 and RHS 8th grade trip to Washington DC on May 18. There has been no decision made at this time on spring sports as well as the middle school and high school musicals.
