## **Inventors and Inventions Internet Hunt**

"An inventor fails 999 times, and if he succeeds once, he's in. He treats his failures simply as practice shots." Charles Kettering

**Directions:** Use the [links](#) provided to find the answers to the questions. This hunt takes you to the web site with the answer, rather than right to the page. Once you dig up the answer, use the **Go Menu** of your browser to return to this hunt page.

1. [Benjamin Franklin](#) invented the odometer. What does it do?

Why did he invent it?

2. Just the other day you had a great idea for an invention.

Which agency of the government should you contact to protect your [ownership of the idea](#)?

What is the exclusive right to make, use, or sell an invention called?

What is a trademark?

3. Use the resources at the [National Inventors Hall of Fame](#) to find out what Steve Wozniak invented.

How old was he when he made the first personal computer?
