

Update, April 13, 2020

Food Service---Coronavirus

Ridgewood Local School District served over 990 students on Tuesday, April 8. Our staff enjoyed the opportunity to see so many student smiles. It was truly priceless. We will continue to serve student meals on the following date and times:

Tuesday, April 14: 11 a.m. to 1 p.m. and 4 p.m. to 5 p.m. at RMS as well as our p.m. bus routes.

- Bus Delivery will only take place on Tuesday, April 14. We will be sending six meals on the bus for Tuesday, April 14.

Thursday, April 16: 11a.m. to 1 p.m. and 4 p.m. to 5 p.m. at RMS—**Curbside service only.**

Students do **NOT** have to be present to receive student meals. The Federal government waived that requirement. We ask that someone to be at your stop at the p.m. drop off time to receive a student meal. Please do not enter the bus. You need remain at designated place of safety. Please be flexible within 10 minutes of the stop times. Those using RMS curbside service need to remain in the vehicle to receive the meal. If you are able, please pop your trunk and we will place it in there. If not we will place it in the passenger front seat. Please do not have anyone in that seat. Again these meals are free and students will receive a breakfast and lunch at the same time. We can serve any child from birth to 18 years of age from any district. We are willing to serve children meals that are at babysitters or daycares. If you are not along a bus route and unable to make it to Ridgewood Middle School, please contact Michelle Stoffer at michelle.stoffer@ridgewood.k12.oh.us or 740-545-5301 for delivery service. If your child has any dietary needs, please contact Michelle Stoffer.

Weekly Lessons/All Calls

Students will complete **Weekly Lessons for April 13.**

We have mailed **Weekly Lessons** to all our students for the week of April 13---17 and April 20---24. The weekly lesson form will have assignments that student may complete online or non-online. We encourage those families that have online capabilities for your child to complete the online assignments and those that do not have internet complete the non-online assignments. We will not be collecting any paper copies of student work at this time. Please keep these materials in a safe place. The weekly lessons will have a section where the parent/guardian can sign to verify their child has completed the activities to the best of their ability. We would like the parent/guardian to email it back to your child's first period teacher. If you are unable to email the weekly lessons back to the school, you may

- 1) Email the following information to your child's first period teacher: child's name, child's grade, parent/guardian name and statement indicating my child has completed the weekly lesson for April 13 and 20 to their best ability.
- 2) Call your child's school building and leave a message with the following information or email the following information: child's name, child's grade, parent/guardian name and statement indicating my child has completed the weekly lesson for the week of April 13 and 20 to their best ability.

All Call system allows our teachers to communicate with their students about their lessons and other information. RES teachers will use the all call system at least once during this week. RMS and RHS teachers will be using the following schedule:

- Monday: ELA teachers 4:00 p.m.
- Tuesday: Math teachers 4:00 p.m.
- Wednesday: Social Studies teachers 4:00 p.m.
- Thursday: Science teachers 4:00 p.m.
- Intervention Specialist and Related Art teachers will be using the all call system for the week of April 20.

Building Hours and Restrictions

We are restricting visitors to all buildings at this time. If you need anything, please call your child's school building or central office. If no one answers, please leave a voicemail.
