2021-2022 School Year

Safe Return to In-Person Instruction and Continuity of Service Plan

This plan describes how Ridgewood Local School District will maintain the health and safety of students and staff during the 2021-2022 school year. Ridgewood Local School District is committed to educating all students. Ridgewood Local Schools plan on returning to face to face instruction with all students on Monday, August 23, 2021. The Board of Education, administration, and staff believe the best place for students is to learn in brick and mortar of our buildings with in-person instruction. Click here to read the plan.
