Skills Training for HS Athletes/Summer Band/Playground/2020-2021 School Year

Skills training has been going great at Ridgewood. It has been great to see our student-athletes and coaches on campus. They have been doing a great job following the Responsible Restart Ohio for Skills training for all sports created by Governor DeWine and Ohio Department of Health. I would like to personally thank our Athletic Director, Matt Colvin for his guidance and direction for our students and staff with skills training.

We are now allowed to restart Summer Band. Mr. Lindig will be organizing summer practices and will be contacting band members. We will have more information regarding our HS musical rehearsals sometime later next week.

We have more good news---our elementary playground will reopen on June 10. If you plan on using our playground you must follow the guidelines for Responsible RestartOhio Consumer, Retail, Services and Entertainment. *Click her to view them.*

We are excited about the start of the new school year with our students. Our administration staff has been working smart and hard in preparing for next school year. We will be prepared for all available options such as regular schedule, alternate days as well as remote learning. We are also aware that some parents and guardians might not feel comfortable sending their child back to a regular schedule school day for a variety of reasons. We will work with you and your child to provide remote learning. We do not want to lose your child to online school or homeschooling without school support. Currently, we have an online program for our high school students and will expand it for our elementary and middle school students. We will continue to update communication weekly through our website and app. We plan on sending a parent survey later this month. If you have any questions, feel free to contact any of the buildings or me personally by [email---](mailto:mike.masloski@ridgewood.k12.oh.us) mike.masloski@ridgewood.k12.oh.us or 740-545-7639.

Building Hours and Restrictions

We are restricting visitors to all buildings at this time. If you need anything, please call your child's school building or central office. If no one answers, please leave a voicemail.
