## 2021-2022 School Year

### **Safe Return to In-Person Instruction and Continuity of Service Plan**

This plan describes how Ridgewood Local School District will maintain the health and safety of students and staff during the 2021-2022 school year. Ridgewood Local School District is committed to educating all students. Face mask are highly encourage and recommended but optional in the school district, however, face masks are still CDC mandated for travel by school bus. The Board of Education, administration, and staff believe the best place for students is to learn in the brick and mortar of our buildings with in-person instruction. This plan can be viewed from our district web-site.

### **Guidelines for Quarantine After Exposure in K-12 Classroom Setting**

The Coshocton County Health Department will decide quarantining of a student(s) or staff after exposed to someone with COVID-19 in a classroom setting. Students and Staff who wear mask or are vaccinated would not need to be quarantine after exposure of COVID-19 in the classroom setting. The Health Department flowchart can be viewed from our district web-site.
