

Update, April 24, 2020

Food Service---Coronavirus

We will continue to serve student meals for the remainder of the school year, May 21, 2020. We will have bus delivery on Tuesday's using the p.m. bus routes and curbside service on Tuesday and Thursdays from 11:00 a.m. to 1:00 p.m. and 4:00 p.m. to 5:00 p.m. at Ridgewood Middle School.

Students do **NOT** have to be present to receive student meals. The Federal government waived that requirement. We ask that someone to be at your stop at the p.m. drop off time to receive a student meal. Please do not enter the bus. You need to remain at the designated place of safety. Please be flexible within 10 minutes of the stop times. Those using RMS curbside service need to remain in the vehicle to receive the meal. If you are able, please pop your trunk and we will place it in there. If not we will place it in the passenger front seat. Please do not have anyone in that seat. Again these meals are free and students will receive a breakfast and lunch at the same time. We can serve any child from birth to 18 years of age from any district. We are willing to serve children meals that are at babysitters or daycares. If you are not along a bus route and unable to make it to Ridgewood Middle School, please contact Michelle Stoffer at michelle.stoffer@ridgewood.k12.oh.us or 740-545-5301 for delivery service. If your child has any dietary needs, please contact Michelle Stoffer.

Weekly Lessons/Grading/All Calls

Enrichment and Intervention Week for April 27. Students will not receive any additional assignments for the week of April 27. We are asking students to use this week to complete your blizzard bags and weekly lessons from April 13 and 20. Your classroom teachers will be contacting you this week by zoom meetings, email, messenger, or phone.

We will be using letter grades at RMS and RHS for the fourth nine week grading period. We are giving full credit for best effort completion of the blizzard bags and weekly lessons. We understand there are factors outside our control with learning being moved to an online or non-online format. We are asking parents/guardians whose child is completing non-online assignment to notify their child's teacher or school building by email or phone once they have completed to the best of their ability the blizzard bags and/or weekly lessons. We also understand there might be barriers for some on the online lessons, if so please contact your child's teacher or school building. We will not be collecting any paper copies of student work at this time. Please keep these materials in a safe place. Please use one of the options below to indicate once your child has completed their blizzard bag and/or weekly lesson.

- 1) Email the following information to your child's first teacher(s): child's name, child's grade, parent/guardian name and statement indicating my child has completed the blizzard bags and weekly lesson for April 13 and 20 to their best ability.

OR

- 2) Call your child's school building and leave a message with the following information: child's name, child's grade, parent/guardian name and statement indicating my child has completed the weekly lesson for the week of April 13 and 20 to their best ability.

All Call system allows our teachers to communicate with their students about their lessons and other information. RES teachers will use the all call system at least once during this week. RMS and RHS teachers will be using the following schedule:

- Monday: Language Arts 4:00 p.m.
- Tuesday: Math 4:00 p.m.
- Wednesday: Social Studies 4:00 p.m.
- Thursday: Science 4:00 p.m.
