

## Update, April 3, 2020

---

### Food Service---Coronavirus

Ridgewood Local School District served over 870 students on Thursday, April 2. Our staff enjoyed the opportunity to see so many student smiles. It was truly priceless. We will continue to serve student meals on the following date and times:

Tuesday, April 7: 11 a.m. to 1 p.m. and 4 p.m. to 5 p.m. at RMS as well as our p.m. bus routes.

Students do **NOT** have to be present to receive student meals. The Federal government waived that requirement. We ask that someone be at your stop at the p.m. drop off time to receive a student meal. Please do not enter the bus. You need to remain at the designated place of safety. Please be flexible within 10 minutes of the stop times. Those using RMS curbside service need to remain in the vehicle to receive the meal. If you are able, please pop your trunk and we will place it in there. If not we will place it in the passenger front seat. Please do not have anyone in that seat. Again these meals are free and students will receive a breakfast and lunch at the same time. We can serve any child from birth to 18 years of age from any district. We are willing to serve children meals that are at babysitters or daycares. If you are not along a bus route and unable to make it to Ridgewood Middle School, please contact Michelle Stoffer at michelle.stoffer@ridgewood.k12.oh.us or 740-545-5301 for delivery service. If your child has any dietary needs, please contact Michelle Stoffer.

### Blizzard Bags/All Call/Weekly Lessons

Students will complete **Blizzard bags 9** for the week of April 6---10.

RES teachers and Intervention Specialist will be using the **ALL Call** phone system once or twice next week.

We will be mailing a **Weekly lesson form** to all our students for the week of April 13---17 and April 20---24. The weekly lesson form will have assignments that students may complete online or non-online. We encourage those families that have online capabilities for your child to complete the online assignments and those that do not have internet complete the non-online assignments. We will not be collecting any paper copies of student work at this time. Please keep these materials in a safe place. The weekly lesson form will have a section where the parent/guardian can sign to verify their child has completed the activities to the best of their ability. We would like the parent/guardian to email it back to your child's first period teacher. If you are unable to email it back to the school, you may call your child's school building and leave a message with the following information: child's name, child's grade, parent/guardian name and statement indicating my child has completed the weekly lesson for the week of April 13 and 20.

### Building Hours and Restrictions

We are restricting visitors to all buildings at this time. If you need anything, please call your child's school building or central office. If no one answers, please leave a voicemail.
