2020-2021 School Year

We are very excited that we will be able to have traditional face to face instruction with our student in our physical buildings on Monday, August 31. We are asking all parents/guardians to go to our website at www.ridgewood.k12.oh.us and complete the student information survey. The survey will help us better prepare and plan for the upcoming school year. The survey will be available until August 4. If you did not complete the survey, expect a phone call within the next week.

Fall sports official start date is Saturday, August 1. Our fall sports have been conditioning last several weeks and have adapted to the Restart guidelines. I would like to personally thank all the coaches for their work and compliance.

Ridgewood High School Marching Band just completed a successful band camp in the month of July. They will continue to practice and prepare for the upcoming season. Thank you to John and Jennifer Lindig for all your work with our students.

Online Back to school forms may now be completed. You will find them on our district website at www.ridgewood.k12.oh.us. You will find the OneView Parent Portal under Students/Parents. Every parent/guardian will need to complete back to school forms online. Parents/guardians of student athletes will also complete all the athletic forms online using the OneView Parent Portal.

We would like to send a shout out and thank you to Operation Face Mask. This group has donated over 600 face mask for our students. We appreciate all the work for our students and community.

We will have our modified schedule student groups (Level 3) available by August 14 for parents/guardians. We will have an orientation for all our remote learning students during the week of August 24. If you have any questions, please email me at mike.masloski@ridgewood.k12.oh.us or by phone at 740-545-7639.
